Correction to article Variations on an algebraic inequality-MR n.2, 2009
In Variation 2. page 6 instead

"(can be obtained by replacing (x,y,z) in (**F2**) with $\left(\frac{x}{y+z} + \frac{y}{z+x} + \frac{z}{x+y} \right)$"

must be

(can be obtained by replacing (x,y,z) in (**F2**) with $\left(\frac{x}{y+z}, \frac{y}{z+x}, \frac{z}{x+y} \right)$
